Mae hanes a chymeriad tref Llanrwst a'r cylch wedi'i ganoli ar y Sgwâr i raddau helaeth, ac un o'r nodweddion mawr yw'r **Banc**, sydd nawr yn gartre i Menter Iaith Conwy. Mae lluo o fentrau a gweithgareddau yn y cylch sydd yn adnabyddus am fod yn flaengar ac yn ddiwylliannol, ac mae'r Fenter yn chwilio am ffyrdd o ddod a gwahanol anghenion y dre at ei gilydd yn yr adeilad.

Tybed fedrwy chi helpu drwy roi eich barn?

*The history and character of Llanrwst and its environs is focussed on the Square to a great extent, and one of the foremost features is the **Bank**, which is now home to Menter Iaith Conwy. There are many initiatives and activities in the area, which is known for being forward looking and culturally significant, and the Fenter is now looking for ways to give an opportunity to the town's different requirements in the building.*

Can you help by giving us an opinion?
